Man is what he believes.
Anton Chekov

Yet, the choices are never easy, each must be based on experience. As Tennyson says in *Ulysses*: I am a part of all that I have met; yet all experience is an arch wherethro' gleams that untravell'd world, whose margin fades forever and ever when I move.

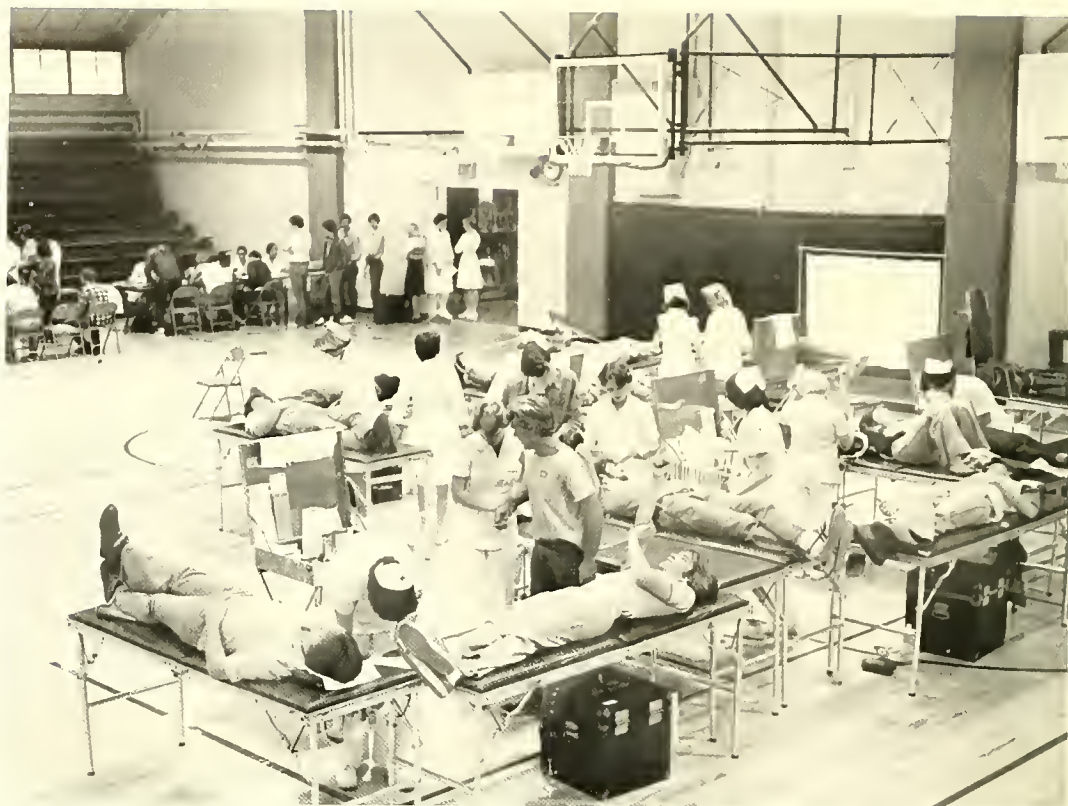

I have always thought the actions of men the best interpreters of their thoughts.
John Locke from An Essay Concerning Human Understanding

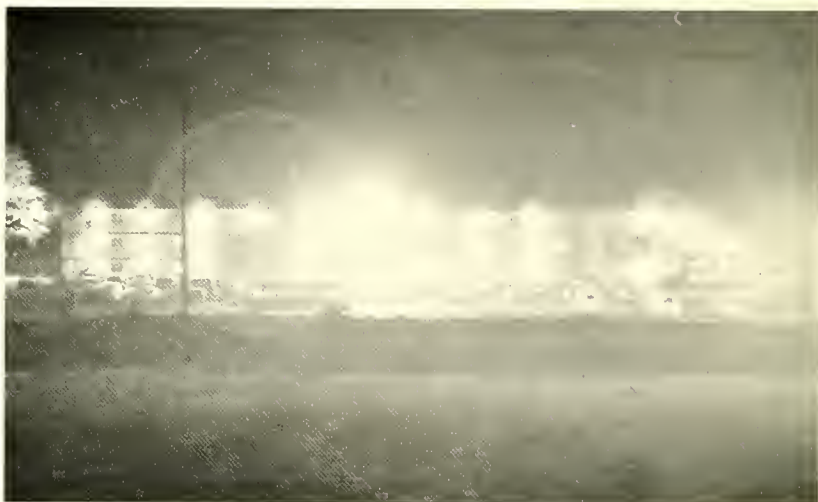

We live in deeds, not in years; in thoughts, not breaths; in feelings not in figures on a dial.

Philip James Bailey

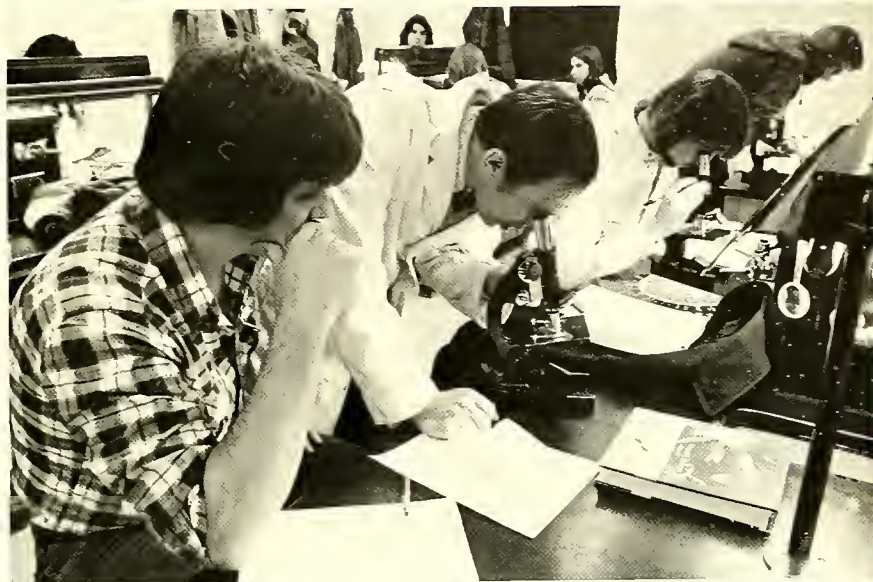

The unexamined life is not worth living.
Socrates in Plato's "Apology"

THEORE

BOARD OF TRUSTEES

The Trustees of the college function primarily as the sole governing board which has ultimate authority on all concerns related to Wingate. They manage the business affairs of the corporation which is the college; they set policies which serve to govern and protect the college; and they play a vital role in the various advancements of Wingate, such as Winternational and the new Baccalaureate Degree Program. Finally, they serve as the crucial communication link between the college and the State Baptist Convention, thus assuring the maintenance of Wingate as a Christian institution.

DR. THOMAS E. CORTS PRESIDENT OF WINGATE COLLEGE

The enthusiasm and charming personality of Dr. Thomas E. Corts creates a friendly and open atmosphere between students and the administration at Wingate College. Dr. Corts seeks to stimulate the quality of campus life and to broaden the college community. In carrying out the baccalaureate program, he has been aware of the needs of Wingate students.

Dr. Corts did his undergraduate work at Georgetown College and received his Ph.D. at Indiana University. Dr. Corts resides at Northwood with his wife Marla, and their three children, Jennifer, Rachel, and Christian.

DR. O. SUTHERN SIMS VICE-PRESIDENT OF WINGATE COLLEGE

Dr. Sims is in the unique position of being Wingate's first vice-president. He received his bachelor's degree at Sanford University, his master's degree from the University of Kentucky, and his doctorate from the University of South Carolina. Dr. Sim's warm personality and interest in serving the needs of Wingate students have created an atmosphere of friendliness. Dr. Sims is an active church member and likes reading, family activities, and jogging.

The International Students Club began in 1936 with fifteen Cuban students as members from twelve different countries.

The club's goal is to help the foreign students understand one another's culture and to better adapt to this culture.

CHRISTIAN STUDENT UNION

The CSU coordinates activities such as the Student-Faculty Auction. This year the CSU will be going to Mexico and New Mexico. Other activities during the year are visits to nursing homes, teaching special education children to swim,

puppetry for children at Charlotte Presbyterian Hospital, in addition to programs such as the "Power and Light Company" plus "Campus Life."

Gateway

Gateway is a folk-religious singing group that travels with the CSU to revivals, visits hospitals, and plays at the "Power and Light Company."

THE GATE STAFF

When the mad clicking of typewriters, the frantic rush to meet deadlines, late hour calls, and weekly meetings had ended, the 1978 GATE staff anxiously awaited the arrival of the finished product from the publisher. We, the 1978 GATE staff, have put forth our best efforts and invested free time to produce an album

of varied memories. Rewards have come to us in the forms of learning, satisfaction in personal accomplishments, and challenges to provide a foundation for greater improvements in future staffs. It is with pride and anticipation that we present this edition of the GATE.

# RETRO

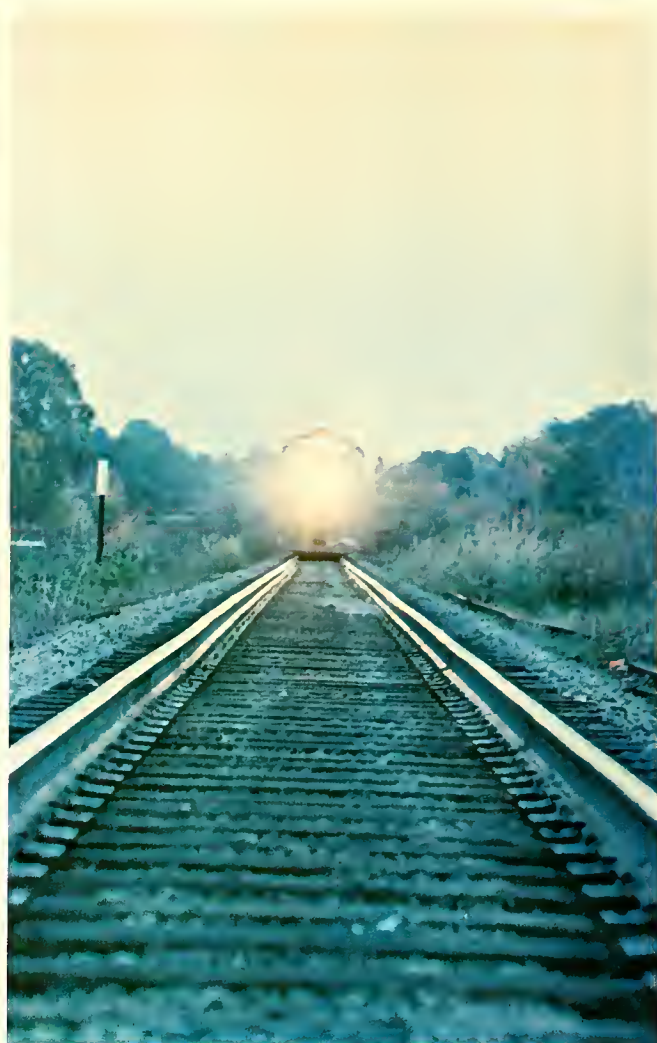

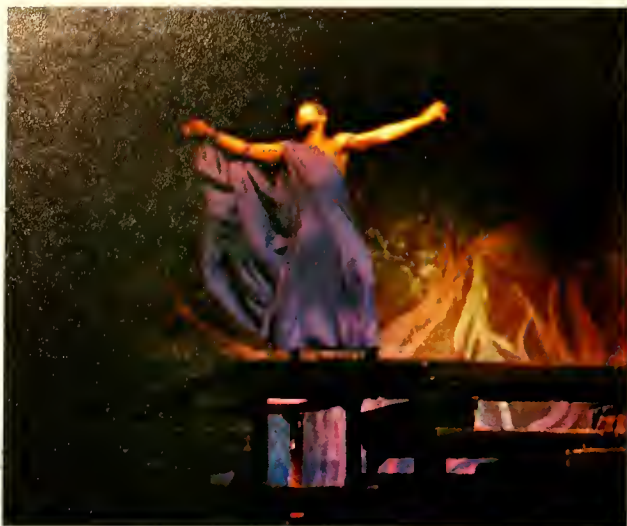

The secret of happiness is in knowing this:  
we live by the law of expenditure. We find  
greatest joy, not in getting, but in  
expressing what we are.

R. J. Bangham from  
*The Joy of Doing.*

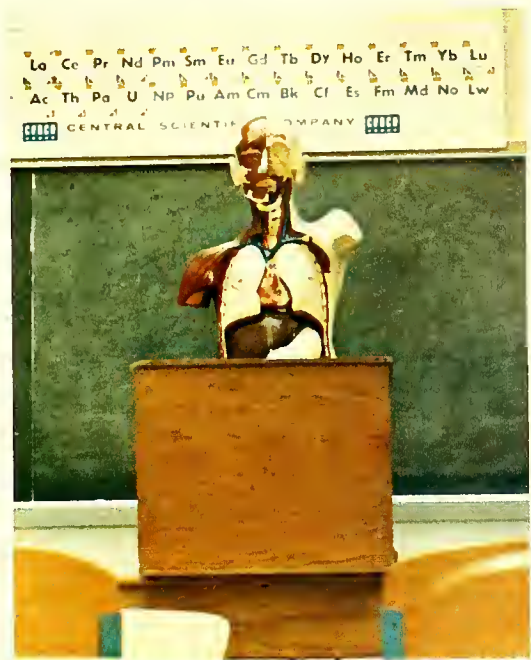

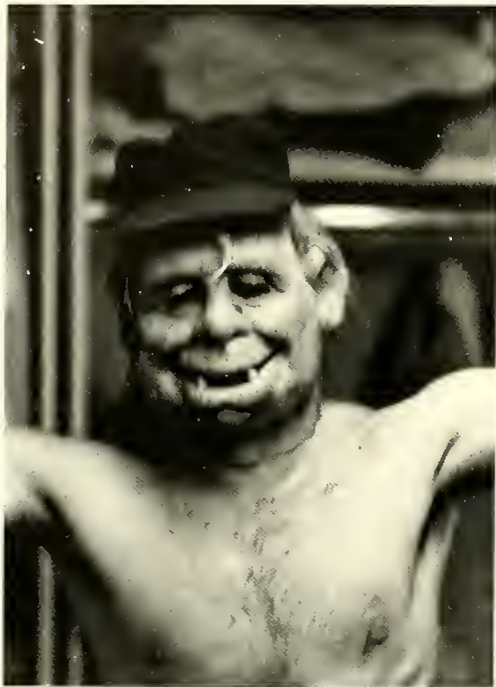

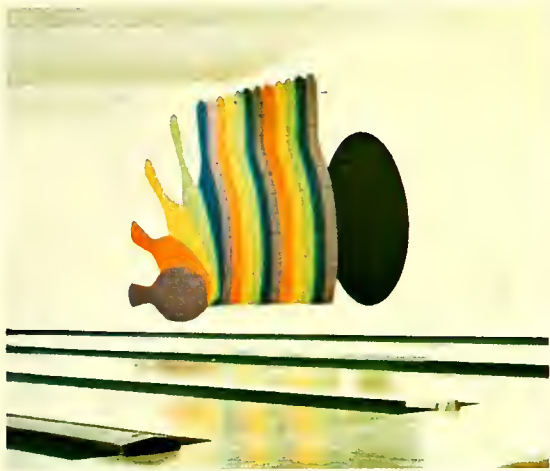

We are never in our selves, but  
beyond. Fear, desire, and hope draw  
us ever toward that which is to come  
and removes our sense and  
consideration from that which is.  
Montaigne from "Essays I."

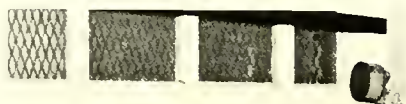

Few worthier goals exist than the attainment of knowledge. All knowledge is of itself of some value. There is nothing so minute or inconsiderable that I would not rather know it than not.  
Samuel Johnson from *Boswell's Life*.

Observe constantly that all things take place by change, and accustom thyself to consider that the nature of the Universe loves nothing so much as to change the things which are, and to make new things like these.

Marcus Aurelius from *Meditations IV*

All things change: nothing perishes.  
Ovid from *Metamorphoses* XV

# Credits

Now that all the pictures have been taken, the pages drawn, and the copy written, I want to take this opportunity to thank some of the special people who have helped make THE OPEN GATE possible. We hope we have captured some of everyone's memories of this special year at Wingate. Louise Napier — for the art work on the cover of the yearbook. Mr. Linn Joy — for his contributions of pictures and time. Mrs. Frances Vick — for encouragement and the use of many reference materials. Keys Printing — our publisher, and Mr. Ron Norman, my consultant. Lee's Studio, and the Triangle, who also supplied us with pictures. Dean Terry Flowe and Dr. Pamela Reeves — my advisors this year, whose guidance, encouragement, and time helped me in making many decisions. A special thanks to a great staff — Betty Dishman, Tammy Crump, K. K. Smith, Robin Mansfield, Cindy Cagle,

James Davis, Teresa Liles, and O. L. Williams — for their generous and much hard work in taking pictures. Photographers — especially Tilden Williams — for the effort, and hard work he spent in taking pictures and in printing pictures.

A very warm and special thank you to my friends Ronnie Cobb, Cindy Fairly, Ronnie Blackmon, Betty Dishman, Judy Childers, Glenn Gullledge, and Rex Hadley who were always ready to lend a hand, give me support and encouragement whenever I needed it most.

I hope the OPEN GATE will be enjoyed and remembered long after Wingate is a memory, because without the students and faculty this yearbook would not be possible.

Joni Potts  
1978 Yearbook Editor
